Dear Michael:

Pursuant to our discussions, now that the above-identified U.S. patent application has been filed and we have received the filing information from the Patent Office, it has been transferred to Skjerven, Morrill, MacPherson, Franklin and Friel LLP.

We will be filing papers in the Patent Office withdrawing from representation and instructing the Patent Office to forward future correspondence to Skjerven, Morrill, MacPherson, Franklin and Friel LLP.

It has been a pleasure working with you, and I wish you success with your future endeavors.
